

Cruise Tours of Barcelona

Our cruise tours are designed for cruise passengers that are disembarking at Barcelona and wish to spend a few hours on a sightseeing tour of Barcelona.

The tour starts at either the port or airport where you are met by your guide and transport. With your luggage safely onboard the tour takes you the impressive Plaza Espana and the Venetian towers constructed in 1929 for the International Exhibition then up to the top of Montjuic Mountain where you will be able to enjoy the fantastic views of the city and the harbour below.

From Montjuic the tour then immerses you into the city centre, passing the La Ramblas and the Passeig de Gracia where you can see the houses of Gaudí Casa Batlló & La Pedrera. Your experienced guide will explain the history and culture as you travel through this historical cosmopolitan city. There are stops where you can have a closer look at some of the monuments, taking photographs and souvenir shopping.

Next you will visit perhaps the best known symbol of Barcelona La Sagrada Familia, Holy Family. Walk around this magnificent temple while your guide explains its history, why it is not due for completion for another 20 years and how Gaudí's influence has shaped many of buildings you see in Barcelona today. The tour finishes at the airport for your return flight home.

Tour Itinerary: Port / Airport > Plaza Espana > Montjuic Mountain > Passeig de Gracia > Casa Batlló & La Pedrera > La Sagrada Familia > Airport / Port.

What people say about this tour:

AAA Travel (Swiss) - Post Cruise Tour & Lunch: "Everything was great, the luncheon set-up in the private room and the service at the restaurant was even better than last year. - The most modern coach and its captain was also top-notch. Till next time."

Great Southern Tiger Travel: "I just got back last night. I am going through e-mails. Yours will be answered first. Catalonia Tours was beyond reproach. The guide pleasant, very knowledgeable and personable. The bus clean and on time. Our private sightseeing tour could not have been better. We all appreciated that you took the time to meet and greet us both at the beginning of the tour and at the end. We liked the personal touch very much! Thanks again for providing such superb services. We all love Barcelona and shall be back."
