

Panoramic Coach Tours of Barcelona

Our panoramic tours are designed to ensure that you see as much as you can within the short time you have available.

In the company of your own private guide the 4 hour panoramic coach tour will take you to the Sagrada Familia, Gaudi's unfinished Holy Temple, along the Passeig de Gracia passing the Gaudi's houses the La Pedrera and Casa Batllo and through the old city centre before making your way up to the top of Montjuic Mountain with its fantastic views over the city. There are stops for taking photographs and a closer look at some of the monuments.

We also offer specially adapted vehicles for limited mobility travelers. A great way to see Barcelona.

What people say about this Tour

AAA Travel (Swiss) - Tour & Lunch: "Everything was great, the luncheon set-up in the private room and the service at the restaurant was even better than last year. - The most modern coach and its captain was also top-notch. Till next time."

Great Southern Tiger Travel: "I just got back last night. I am going through e-mails. Yours will be answered first. Catalonia Tours was beyond reproach. The guide pleasant, very knowledgeable and personable. The bus clean and on time. Our private sightseeing tour could not have been better. We all appreciated that you took the time to meet and greet us both at the beginning of the tour and at the end. We liked the personal touch very much! Thanks again for providing such superb services. We all love Barcelona and shall be back."
